

641—7.12(22) Release of immunization information.

7.12(1) *Between a physician, a physician assistant, nurse, or a certified medical assistant directed by a supervising physician, physician assistant, or nurse practitioner and the elementary or secondary school or licensed child care center that the child attends.* A physician, a physician assistant, a nurse, or a certified medical assistant directed by a supervising physician, physician assistant, or nurse practitioner shall disclose a student's immunization information, including the student's name, date of birth, and demographic information, the month, day, year and vaccine(s) administered, and clinic source and location, to an elementary or secondary school or a licensed child care center upon written or verbal request from the elementary or secondary school or licensed child care center. Written or verbal permission from a student or parent is not required to release this information to an elementary or secondary school or licensed child care center.

7.12(2) *Among physicians, physician assistants, nurses, or certified medical assistants directed by a supervising physician, physician assistant, or nurse practitioner.* Immunization information, including the student's name, date of birth, and demographic information, the month, day, year and vaccine(s) administered, and clinic source and location, shall be provided by one physician, physician assistant, nurse, or a certified medical assistant directed by a supervising physician, physician assistant, or nurse practitioner to another health care provider without written or verbal permission from the student or the parent.
